

## Created to keep everything clean

Even before you use your electric Bidet, your mind feels cleaner and at ease with the knowledge that the best personal hygiene technology available is at work for you.

The **BA13-AR** is Coway's Premium Digital Round Bidet toilet seat and is the **Winner Design Award**. The **BA13** has subtle curves and soft lines that will make an attractive addition to your bathroom.

The **cutting-edge instant heating system** is energy efficient and will give you warm water as long as you like. Now that's worth smiling about. That means no water tank and no wasted energy!

The BA13 is the only Bidet to have Twin Stainless Steel Nozzles; this will resist soiling thereby reducing or eliminating bacterial growth.
