

## You will never have to use toilet paper again

The HDBR550N remote control Bidet toilet seat is the ultimate personal health and hygiene for the whole family

With its ultra sleek design, this Bidet features a remote control keypad that can be mounted on the wall beside your toilet. Large easy to see buttons make operating this Bidet **so easy** for people of all ages.

Just press the **wash** button and the Bidet will provide a gentle stream of continuously warm aerated water that will thoroughly clean and then dry you with warm air without having to use any toilet paper leaving you feeling fresh and clean. Or, if you prefer to have more control and use the extra functions this Bidet provides, such as enema wash and pulse massage - just press the individual buttons you want to use.

-  **Warm Water Wash** - Adjustable stream of warm water is directed to the BOTTOM or FEMININE wash at exactly the temperature you prefer for as long as you want.
-  **Air Dryer** - Warm air set at the temperature you want gently dries you.
-  **Heated Seat** - 3 temperature settings. Great for those cold mornings.
-  **Soft Closing Seat and Lid** - Hydraulic dampers installed at the hinges allow the seat and lid to close softly.
-  **Installs in just Minutes** - Just replaces your existing toilet seat. All parts supplied. No plumber required.

This Bidet will fit on your existing toilet suite if the measurements of your pan are:

- A: 500mm or above
- B: Between 140-195mm
- C: 320mm or above

This Bidet has passed electrical and plumbing certification required by Australian Standards.
